

HOME Slough Small Bursary Scheme

HOME Slough wants to support local artists and companies to use HOME on the High Street for creative activities but we recognise that barriers may exist in starting-up these activities.

We have responded to this by introducing small bursaries to support individuals and community groups using the space for the first time to help expand their activities locally.

Requests may be made for contributions towards funding for start-up costs in the space of up to £200.

Start-up costs could cover one or more of the following:

- Obtaining Public Liability Insurance
- Marketing such as fliers, posters, design
- Workshop materials

To be eligible you will need:

- To be an independent community group or individual who has booked space for creative activities at HOME on the High Street
- Individuals applying need to be over 18 and based in Slough

Bursaries will be for a maximum of £200 per application. This is a one off bursary for a specific item or activity. Up to 12 bursaries will be made in 2019.

There is no specific application form, please provide the following in an email:

- Applicants name, address and organisation (where applicable) including email address and telephone number
- Date of application
- Amount requested and details of what the funds will be used for
- Details of any other funding obtained
- Details of your booking with HOME Slough

We aim to respond within 14 days, we may come back to you with questions. We cannot guarantee this funding.

All applications should be sent to info@homeslough.org.uk

If you have any questions please contact Amanda Renn on 01753 571 093.
